Presentation:
2018 Uniform Plumbing Code Application Workshop
Taking a page from the IAPMO Annual Education and Business Conference. Attendees will be provided with several plumbing code drawings where they will work in groups to identify as many code violations as they can find. It’s a where’s Waldo of plumbing. Once all the groups have completed identifying violations, we will discuss in an open format the violations found or the ones not found.
This interactive training is sure to provide lively discussion amongst the group.

No charge for IAPMO members
$15 for all non-IAPMO members
